

# Summer Camps

Registration Begins March 8

## Summer Camps at the Children's Museum!

Are you totally into science? Do you like to explore your creative side? You'll love the Children's Museum's Art and Science Summer Camps! Led by our professional educators, Summer Camps will be full of fun, play and learning. All camps include a SACM t-shirt, daily snacks and supplies for each child. Students participating in full day programs will need to bring their lunch. Space is limited to 15 students with a minimum of 10 students to hold the camp. Enrollment is on a first-come, first-served basis.

### Art Camps

**Art in 3-D (Ages 7-10) June 14-18 • 9am-4pm • Mon.-Fri.**

Young artists will enjoy exploring a variety of media in our interactive "Art in 3-D" summer program! We will discover many 3-D art forms including clay, paper maché, weaving and homemade play dough!

**Drawing, Painting & Printmaking (Ages 7-10) July 12-16 • 9am-4pm • Mon.-Fri.**

Spend a week immersed in creative expression! We'll explore many artistic formats including cartoon drawing, mono prints, watercolor resist, murals, pastels and even Batik!

**Pint-Sized Picasso's (Ages 4-6) July 26-30 • 9am-12pm • Mon.-Fri.**

Try your hand at just about everything in this fun program for young artists! Kids are invited to move, groove, paint and create! We'll explore the Arts through music & movement, story-telling, creative arts and imaginative play.

### Science Camps

**Super Science Summer Camp! (Ages 7-10) June 7-11 • 9am-4pm • Mon.-Fri.**

Explore the realms of physical science, botany, biology, zoology and environmental science in this fun-filled week of science! We'll even get a visit from some cool critters!

**SciGirls Science Camp for Girls (Ages 7-10) July 5-9 • 9am-4pm • Mon.-Fri.**

Attention all science-loving girls out there! Become a Junior Scientist as you explore and experiment with the wonders of science. We'll cover physical science, engineering, chemistry, biology and astronomy with instructors who are...you guessed it...GIRLS!

**Science in Action! (Ages 5-7) August 2-6 • 9am-12pm • Mon.-Fri.**

Science is a BLAST when it's MESSY! Explore and experiment with the fields of chemistry and physical science...because blowing stuff up is fun AND educational!
